PEARL DRUMS & ACCESSORIES CATALOG 69

WHY PEOPLE SO HIGHLY EVALUATE "PEARL" PRODUCTS ?

BECAUSE, it has been our motto to put out products of attractive designs and ever improved structure, combining modern senses and superior techniques so that we may be able to offer our customers the highly reputed unique "PEARL" products.

BECAUSE, every part used in a "PEARL" product, for instance, represents our most careful consideration and study based upon the advices and instructions of well-known performers. Every one screw is produced after the most rigid scrutiny and under the integrated process in our plants equipped with the most up-to-date facilities.

BECAUSE, we make our products with most careful attention to only one thing, namely, how to please our customers. Our products used for Jazz music, for Latin American music, for Orchestra, and for Parade range widely from those suitable for the experts and for the beginners.

NO WONDER, all the "PEARL" products are highly recommended by many professional musicians of international fame.

Why not try "PEARL" products for your satisfaction and real enjoyment ?

PRESIDENT DRUM OUTFIT SERIES

Pearl Drum Company offers its sensational "President" Drum Outfit, the newest and the most exciting quality drum outfit made of plastic fiber for professional drummers of the world. Here are some outstanding features of the New "President" series.

"President" Drum Outfit Shell is made of unique plastic fiber and its quality features are itemized below:-

* Outstanding Durability
* Uniform Thickness
* Water Resistance
* Smooth Finish
* Non-Reinforcing Ring inside of drum shell
* Brilliant Tone
* Non-Warping Perfect Circle
* More Sounds and More Power

Attractive style lugs have been designed by our Pearl engineering staffs.

"President" Drum Outfit Snare Strainer was newly developed by the Pearl engineering staffs. By means of a new horizontal switch that permits ultra-fine height adjustments, sound produced is crystal clear and the snare strainer elicits sound effects of the highest quality.

3

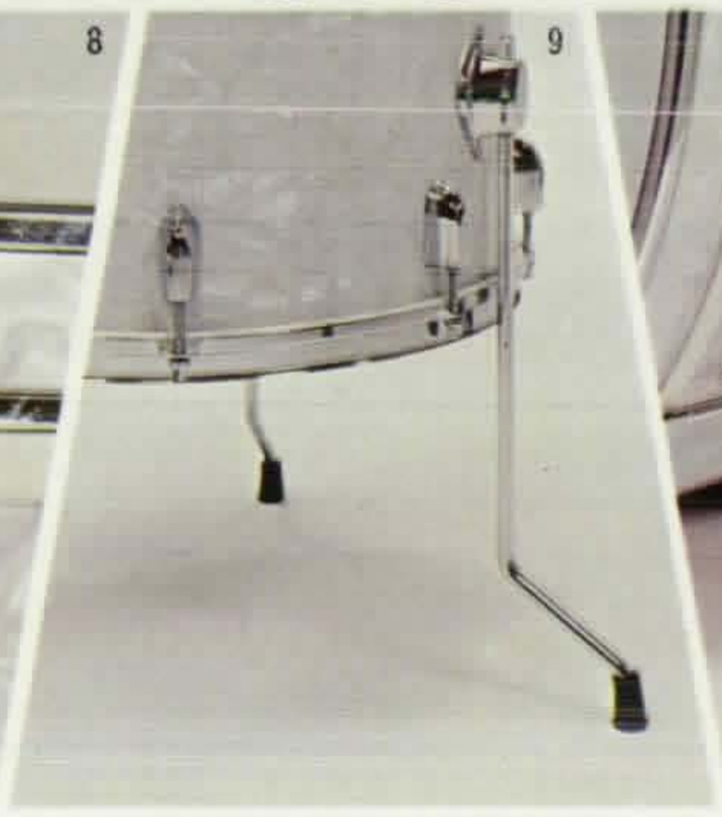

4

5

6

7

8

9

10

1. COUNTER HOOP

Highly polished chrome plated, perfect circle and exactly right angle hoop will catch drum head perfectly. Sound effect is excellent.

2. METAL HOOPS FOR BASS DRUM

"Pearl" Bass Drums increase in tone brilliance and produce more varieties of sounds by attaching strong perfect circle and beautiful chrome finished steel hoops. Pearl inlaid.

3. SNARE STRAINER

Unique Snare release permits maintenance of uniform control in both "on" and "off" positions. Precision adjustment lever permits quick and easy return to original tension setting.

4. CYMBAL TILTERS

Special Ratchet Lock design. Easy to set at any angle and free from slipping or becoming loose.

5. TENSION RODS

Chrome finish acute square head of rod will tighten easily and certainly.

6. NEW FREE ADJUSTABLE TOM-TOM HOLDERS (Patent Pending)

All-Directional. Simple and Strong. Smoothly interchangeable. Fastest Set-up and Knock-down with one screw on the top of holder. Standard Drum Key does it all.

7. SHELLMOUNT CYMBAL HOLDER

A telescopic and L-angle type shellmount cymbal-holder is freely available at any height, angle and position by sliding the rods. Chrome finish die-cast bracket will keep it exactly in place with standard tension key.

8. T-HANDLE ROD WITH HOOK FOR BASS DRUM

Hook will fit in hoop completely and T-Handle is designed for easy tightening by any players.

9. LEGS FOR FLOOR TOM-TOM

Stylish rubber-tipped bent shaped legs provide an extra wide angle stance for the floor tom-tom. Keep it exactly in place.

10. SPURS FOR BASS DRUM

Bass Drum has rubber-tipped spurs retractable into drum to the utmost portable convenience.

PRESIDENT SNARE DRUMS

PEARL DRUM COMPANY presents its sensational "President" Snare Drum, the newest and the most exciting quality snare drum made of plastic fiber for professional drummers of the world. Here are some supreme outstanding features.

THE SHELL "President" Snare Drum Shell is made of unique plastic fiber and its quality features are itemized as follows:-

* Outstanding Durability * Smooth Finish
* Non-Warping Perfect Circle * Uniform Thickness
* Non-Reinforcing Ring inside of drum shell
* Water Resistance * Brilliant Tone
* More Sounds and More Power

THE LUGS (TENSION CASINGS)
Attractive style lugs have been designed by our Pearl engineering staffs.

THE STRAINER "President" Snare Strainer was newly developed by our Pearl staffs. By means of a new horizontal switch that permits ultra-fine height adjustments, sound produced is crystal clear and the snare strainer elicits sound effects of the highest quality.

P-514 5½"x14", 10-tensions.
P-414 5½"x14", 8-tensions.

NEW BUL-GEE SNARE DRUM(METAL)

* Unique design and style never developed in the past.
* No lugs are on the outside of shell, and switches and others are all inner-contained.
* The inner diameter of metal shell is larger than that of the plastic head. This enables the thinner shell act as effective as a thicker one.
* The edges of shell work like a cushion displaying a splendid rim shot effect.
* Sturdy chrome metal shell.

1614 5½" x 14", 8-tensions.

SNARE DRUMS

* Highly Polished Deluxe Chrome Plated Hardware.
* Triple Flanged Rim-Shot Counter Hoops.
* Self-Aligning Separate Tension Lugs.
* Extra Sensitive Deluxe Snare Strainer and Tone Control equipped.

METAL
