PRODUCTS FOR GUITARS

DESIGN INNOVATION BARCELONA

Aclam Guitars is a brand of high quality accessories for guitars.
Innovation is the starting point in our designs, which are always looking for functionality with a minimalist look and using the best materials.
All our products are made in Barcelona.

FLOATING GUITAR®

Invisible guitar support to hang on the wall or on a stand

Delta'12 Awards Selection

Floating Guitar was selected among the final candidates in the International Design Contest "Delta awards" 2012 in Barcelona.

PATENTED
All rights reserved

Adjustable tilting/swivelling wall mount clips on to strap support buttons. Guitar is easily placed and removed.
Once mounted it has a decorative feature.

Designed to fit STRATO, LP, TELE, SG, ES335 and similar models.

GUITAR SUPPORTS | **Floating Guitar**

DIFFERENT MODELS FOR A WIDE VARIETY OF GUITARS.
THE MODEL DEPENDS ON THE STRAP BUTTON POSITION.

GUITAR SUPPORTS I **Floating Guitar**

FG01 STRATO & similar

Ref. FG01

STAINLESS STEEL

Special foam suitable for delicate surfaces. Polythene. It does not contain any CFC or HCFC, or plastics. The foam, often used to protect artwork, prevents damage to the polished surface of the guitar.

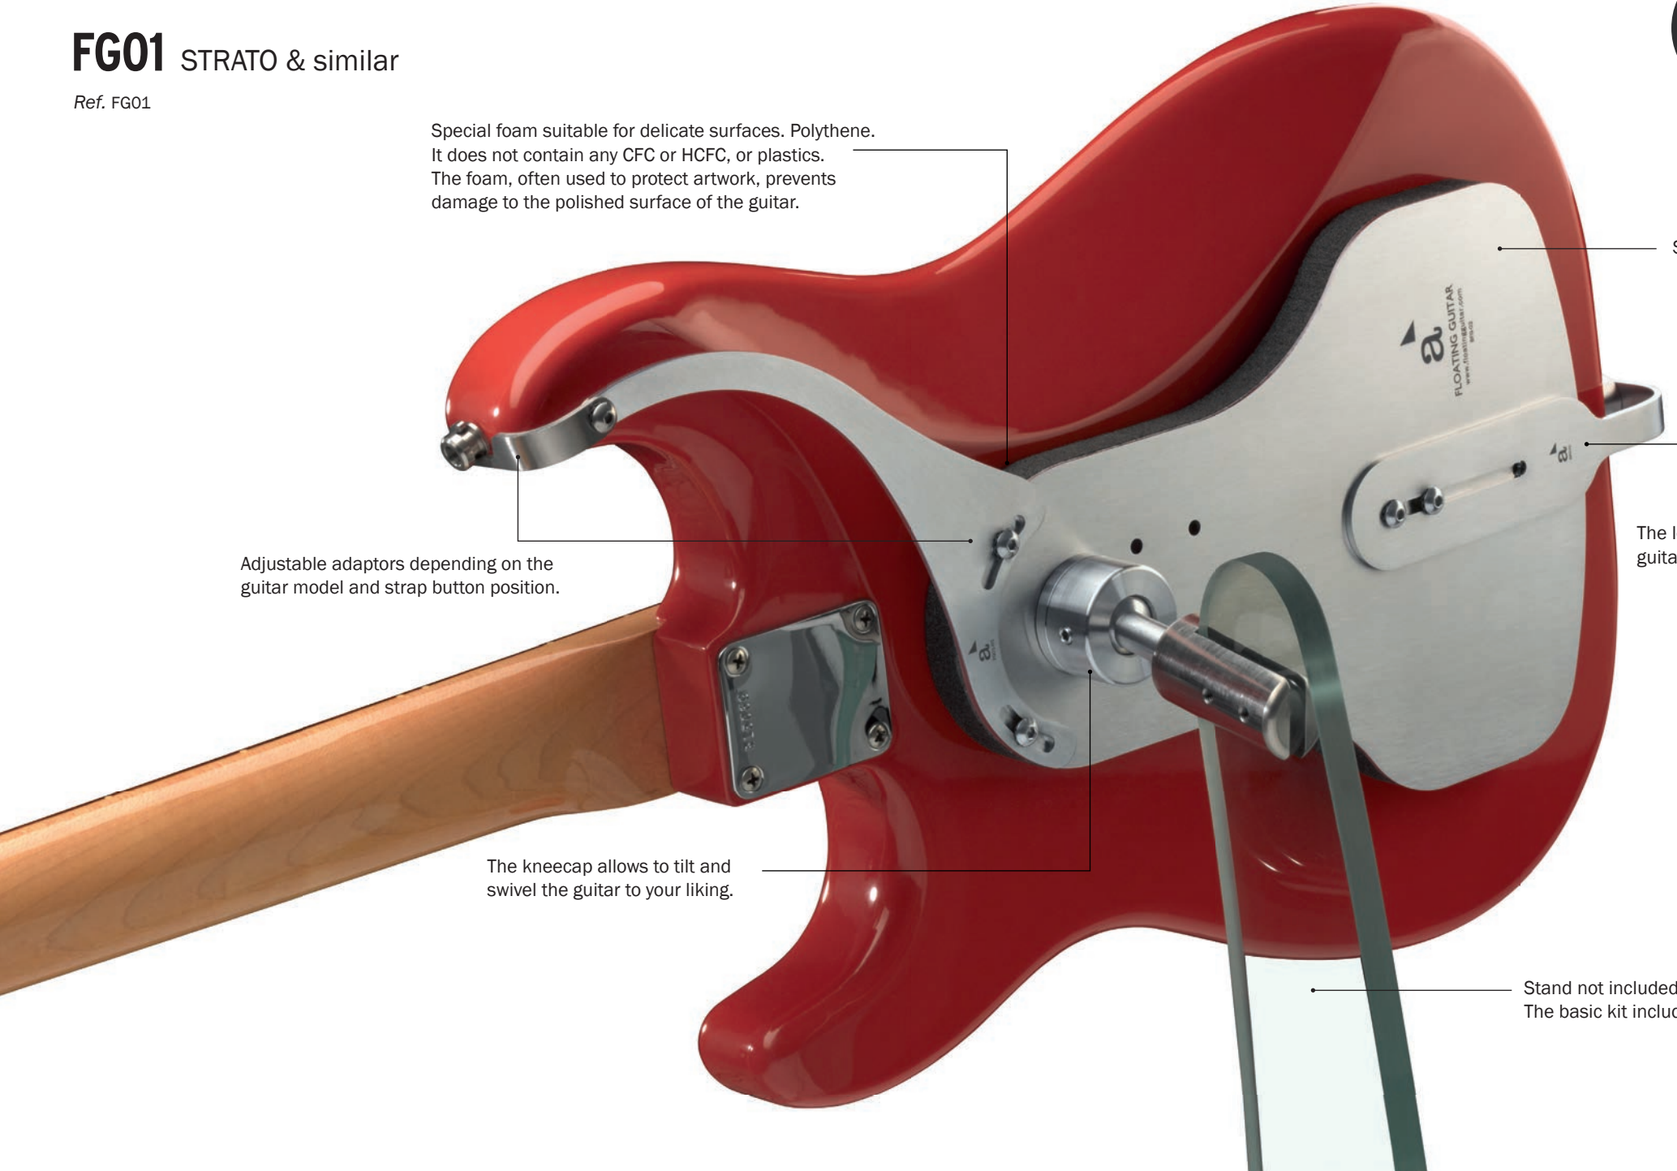

Stainless steel AISI 303.

Adjustable adaptors depending on the guitar model and strap button position.

The low adaptor adjusts to the guitar measurements.

The kneecap allows to tilt and swivel the guitar to your liking.

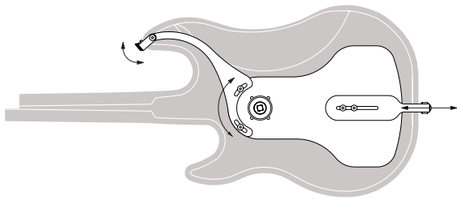

Stand not included.
The basic kit includes wall support.

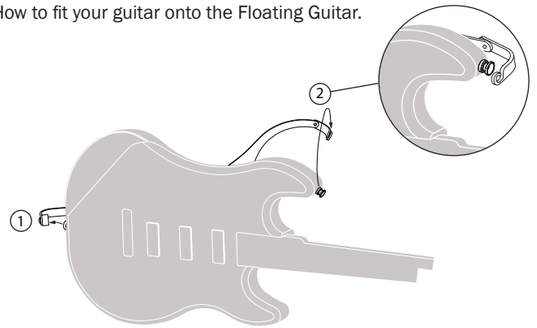

EASY TO ADJUST

Fit the Floating Guitar onto your guitar.

How to fit your guitar onto the Floating Guitar.

FG02 LP, TELE & similar

Ref. FG02

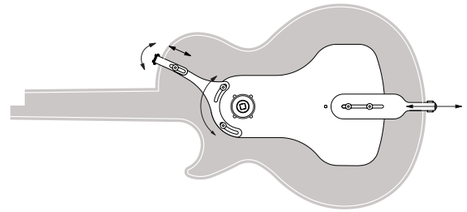

Stand not included.

FLOATING GUITAR STAND®

Ref. FGS

It's a stand designed to fit the Floating Guitar without the need to make holes on the wall. This original shape guarantees the guitar's balance.

Made with tempered glass and stainless steel, it's lightweight and invisible, blending easily into any space.

FLOATING GUITAR MINI STAND®

Ref. FGMS

Display your guitar or bass anywhere thanks to the reduced dimensions of the Floating Guitar Mini Stand, with the same resistance and elegance as it's big brother the Floating Guitar Stand.
