USER MANUAL

FuelTank

Junior

T-REX®

POWER TO THE PEOPLE

Congratulations on your purchase of Fuel Tank Junior, an ultra-compact power supply for 9-Volt pedals from T-Rex Engineering.

Power supply with five isolated outputs and switchable 115V or 230V mains. With 5 isolated outputs, Fuel Tank Junior will keep your entire arsenal of 9-Volt pedals performing quietly and powerfully all night long. Add on a T-Rex serial cable (available separately), and your Fuel Tank Junior will even power your classic 18-Volt pedals.

This manual explains some of the benefits that Fuel Tank Junior offers, and how to get the most out of your new power supply.

QUIET POWER

Fuel Tank Junior features 5 isolated 9-Volt outputs, each delivering a powerful 120 mA current. Isolated outputs protect your T-Rex tone from annoying hum caused by ground loops – keeping your signal free of noise and full of tone.

9 OR 18 VOLTS

Fuel Tank Junior will power just about any 9-Volt pedal you own. But it will also power an 18-Volt pedal via a special T-Rex serial cable (sold separately). Plug the double end of the cable into 2 outputs on your Fuel Tank Junior, and your favorite 18-Volt stomp box will roar into action.

Optional T-Rex cables

To keep your pedal board neat and tidy, make sure to order the T-Rex cables you need for all your pedals. Or cable range includes standard pedal cables in 2 lengths, a special link cable that lets you power 5 different pedals (max. 24 mA) from a single Fuel Tank Junior output, and the 18-Volt serial cable described above. Cables are available from your local music store or the T-Rex website.

TECHNICAL SPECIFICATIONS	
Pedal size incl. knobs (W x H x D)	100x38x78 mm / 6,3x1,5x3 inch
Power supply	Switchable 115V or 230V mains
Connections	5 isolated 9-Volt DC outputs delivering 120 mA each
Power consumption	30 mA
Weight (excl. battery and packaging)	0,470 kg/ 18.5 oz
Pedal cables	5x 50 cm DC cables with 2.1mm - 2.1mm connectors

T-REX WARRANTY CONDITIONS

T-Rex offers a 2-year warranty on all our products. In the unlikely event of a malfunction, please contact our technical support at info@t-rex-effects.com before sending us the product for repair. When the product has been sent to us at sender's cost, we will repair or replace your product and send it back to you - free of charge and usually within 3 weeks (shipping not included). The product needs to be accompanied by a copy of your receipt, serial number, return address, phone number, e-mail address and a brief explanation of the problem. Please note that we cannot replace a product until we have received it here in Denmark.

The warranty is lost if the product has been damaged by alteration, misuse, accident, or neglect; or if the product has been repaired or serviced by persons not authorized by T-Rex. Read more about warranty conditions at www.t-rex-effects.com.

ABOUT T-REX

Based in Vejle, Denmark, T-Rex Engineering makes classic and signature effects pedals for the world's best musicians. Our approach blends hi-tech innovation with old-world craftsmanship – always in the service of killer tone.

EU REGULATIONS • ENVIRONMENT PROTECTION

T-Rex accepts and follows the regulations and directives issued by the EU. We find these environment protecting regulations very good, and we are happy to follow them.
